

North Harbour U16 White vs Auckland South U16

Game 3 in the weekend had North Harbour White playing Auckland South at Waitemata. South having just beaten West 3 days before in a tight game.

NH White again started well from the whistle getting within 5m of the South tryline, only for South to then counter and almost score at the other end. South put the pressure on and eventually scored. They would go on and score another 3 tries and 1 conv in the first half. Chalyton Frans scoring the only try for White with Ollie Parsons kicking the conv. 2nd half was dominated mostly by South with them scoring 8 tries and 5 conversions to 1 try by Titera Bura and conv to Ollie Parsons.

White showed some promise in parts on attack and some good scrambling defence but continual pressure from Auckland South saw them deserved winners 72-14.
