

**8<sup>th</sup> of September**

## **North Harbour U16 White vs Auckland West U16**

North Harbour White played Auckland West on the weekend. With perfect conditions it was a good day for running rugby. First 10 minutes were fairly even until Auckland West started to get their running game going. Drawing multiple tacklers overlaps started to come for them. Ball movement, offloads and running into holes meant we were consistently on the back foot. Halftime score 31-0 to Auckland West. 2<sup>nd</sup> half saw more of the same. Our boys hung in there and kept tackling and trying to attack whenever they could. Lineouts and scrums were pleasing for the whole game at least matching them in those areas. Hard work finally paid off near the end of the game with a try to Titera Bura. Auckland West taking the win 62-5.
