Game Highlights

The final Harbour B's fixture of 2018 was the bus trip to Hikurangi Rugby Club, 2.5 hours north with the start of the school holidays. This was a pressure game for the Hibiscus Men and for Northland B they are tough at home. We talk about pressure ...Harbour in 3rd place going to Northland, a win would put Harbour into 2nd, a loss would put them in 5th. This Competition was pretty tight right through.

The venue was awesome, a lot of history around the club, and plenty of spectators in shorts. Summer was here, and for the players a good track, and blue skies. Right from the whistle both teams trying to take advantage of the weather and play some running footy. **After the 6mins and 12mins Gannon Moore dotted down, Harrison Levien started to copy cat Gannon by opening up the Northland defence, he also saw the white chalk, followed by Curtis Reid managed to run over two players down the side line to score. Jack Bergin added a conversion.**

Some sloppy defence from Harbour, Northland managed to capitalise on a 50/50 pass with quick try in the right-hand corner. The Northland number 10 slotted a well-controlled conversion from the side line to take the score into **half time 22-7**.

Still anyone's game, the message was from the coaches was very simple. We have been here before and we don't let the Taniwha back into game. **The message was clear so game on.** Harbour pretty much started this final 40min at pace, using the width and having a go, **Hauwai McGahan, Harrison Levien "again 'Tito Sufia, Nick Smith, Josh Thirds, Pierre Pili all dotting down with Jack Bergin adding another 3 conversions, Robbie McIntosh 1 conversion.** If you were a spectator there were **10 tries from Harbour** and some exciting footy. Northland gave there all and kept tackling there hearts out. Full credit to Northland for fighting all the way to the 80th min.

Harbour won the fixture 60-7. The Harbour B's Development finished 2nd in the Northern Region Championship in 2018.

Player of the Day – Sponsored by D3 Tape, Tito Sufia.
