## Albany Barbarians Head Coach and Assistant Coach Roles

The Albany Barbarians club are in its third year of playing in the Wider Auckland Women's Competition. The club was formed in conjunction with North Harbour Rugby to grow the women's game in North Harbour and provide a place for all female players to play women's club rugby.

In 2021 our Premier 15's team won their division while our 10's side finished 3<sup>rd</sup> in their grade. We are looking to grow our number of teams from two to three in 2022 with the introduction of a Secondary School aged 10's team.

Within the playing group is a range of ages, stages, and aspirations. From players who are on the pathway to being Black Ferns right through to the weekend warrior that wants to be active and part of a team. Being able to cater for all levels of player is very important.

We are seeking the following:

### Head Coach

Tasks include:

- Overseeing the Albany Barbarians programme with support from North Harbour Rugby
- Head coach of the Premier 15's team
- Support assistant coaches in their roles (as 15's assistant coach or lead coach for 10's team)
- Provide training session plans in collaboration with assistant coaches
- Communicate effectively with players regarding selection, work ons and game plans
- Run engaging and player focussed trainings
- Game day coaching

The Head Coach will be in charge of the Premier 15's team which includes game day on Saturdays.

### Assistant Coaches

Tasks Include:

- Working with the Head Coach running training sessions
- Assisting players with position specific work ons
- Providing feedback to players
- Collaborate with Head Coach and other Assistant Coaches with training plans and game plans
- Communicate effectively

# NORTH HARBOUR RUGBY UNION

*Improving Lives Through Rugby*

Depending on the aspirations and experience of the assistance coaches, you may take on the lead coach role of one of the two 10's teams or be an assistant coach to the 15's side. This can be discussed during interviews.

The successful candidates will have coaching experience in rugby. Although not essential, working with or coaching females would be advantageous. An understanding of amateur sport and the different levels of playing aspirations within the group is important. Must be available for two trainings per week and game day Saturday.

To apply, please send your coaching CV and any other relevant information to [anna@harbourrugby.co.nz](mailto:anna@harbourrugby.co.nz)

Please note: coaches will be subject to police vetting
